

## Spring Camp – Final Information

### **NOT PAID YET?**

If your scout is wanting to come, please pay the £19 (bank transfer, or cash) by the 20<sup>th</sup> AND complete the registration:

[http://aquila.scout-troop.org.uk/Activities/Camp\\_information/Form\\_Autumn\\_Camp.htm](http://aquila.scout-troop.org.uk/Activities/Camp_information/Form_Autumn_Camp.htm)

### **DATES, LOCATION, TIMES ETC**

See opposite for precise times, location etc

A map with directions to the campsite is included. We travel in scout uniform and scouts should have eaten dinner or tea before leaving on Friday. We need some parents to help drive scouts in each direction: please indicate on the Health and Permission Form. It is likely that any parent should not need to do both directions, but most parents do one way. Any problems - phone me.

Please will those parents, who are bringing scouts home **from** Camp, be at the campsite by the time stated opposite. Please do not take scouts away from the site until the final "fall in", which will be after all equipment is loaded and the site cleared and checked. Scouts are dismissed finally when all equipment is unloaded at the HQ: I hope some parents will help with this and hanging tents if needed.

Note: if you wish to transport **ONLY** your own scout at each end of the camp, state on the H&P form.

### **CAKES**

I hope that all Scouts will bring some cake (or equivalent), which will be collected by a leader before leaving St Albans. They are used as "between meal" and evening snacks for an active programme.

### **HEALTH AND PERMISSION FORM**

Please complete the accompanying forms, which we must have **AT THE LATEST** by the date shown opposite. Paper copies only.

### **CAMP CLEAR UP**

We have our usual session at the Scout Hut on the Monday after the camp from 7.00 pm (to 8.00ish). We clean up and clear away all the camping kit. We hope some parents and/or scouts will come and help: even for part of the time can make a big difference

### **QUESTIONS**

### Kit list

The list on the next page is suggested as a basic, general list of personal camping equipment and clothes for a weekend camp. Please look at the Troop website for extra guidance.

We suggest that you print off a copy for your scout to tick off items as they are packed.

#### Notes:

1. All items should be labeled with the Scout's name
2. Clothes should be packed inside plastic bags within the backpack (or other bag)
3. Bring plenty of warm, loose-fitting clothes. Several thin layers are better than one thick one
4. Scouts will be allowed to use a penknife only under adult supervision until they have passed the knife safety test. Penknives must be kept in the Scout's bag, except when in use. Sheath knives are NOT allowed on any scout activity.
5. Please ensure your son or daughter knows what is in the bag!
6. A tracksuit makes good night wear at camp (but should be extra to other clothes)
7. The Group cannot accept responsibility for damage or loss to personal equipment or clothing, although we will make every effort to ensure that none occurs. We do not have insurance cover in respect to such personal items.
8. Radios, other electric music makers, game players and similar are not allowed.
9. Scouts may wish to spend a bit of pocket money in the camp shop, which is likely to sell badges, sweets etc. Scouts will generally have to look after their money themselves.
