Summer Camp 2022 – Pembrokeshire

We are now planning our main activity, next Summer Camp and I hope this will be first choice for all Scouts to come.

Our Troop's Summer Camp this year will be in the Pembrokeshire National Park. The dates are **Saturday 23 July - Saturday 30 July**: the first full week of the Hertfordshire Schools Holidays.

This is the main activity of our year, when we really get out and have fun, and all the skills gained during the year can be put into action. So I hope that all Scouts will come on this camp.

We will be camping at St Brides Camp Site. This is a small scout campsite right on the coast. We will, of course, make use of the unique countryside around. There is a display of photos of the area on our notice board and there is a page about the site and the camp on our Troop website:

We will be camping together as a Troop, with patrols cooking their own meals. A variety of activities are planned, both around the campsite and in the countryside around. Trained adults will adequately supervise activities away from the campsite. We hope to book a water activity at a water activity centre.

We will discuss the programme with Scouts and will plan to do some activities aimed at newer scouts, while older scouts get on with things more suitable for them. However, most of the programme will be the whole Troop together.

We are keeping the cost of the week-long Camp down to £174.00, inclusive of transport, food and accommodation. We need to get a clear idea of the number of scouts who wish to go, so to ensure a place please pay a deposit of £49.00 as soon as possible, but in any case by Friday, March 18.

Then complete the simple online Registration form:

IT IS IMPORTANT FOR US TO GET NUMBERS SORTED OUT EARLY, AS WE WANT TO TRY TO ENSURE WE CAN TAKE ALL SCOUTS WHO WANT TO COME AND ALSO BOOK A WATER ACTIVITY. SO REPLY QUICKLY.

If for some reason you are not able to give a definite answer at this time, please get in touch with me, so that we can try to keep a space open for your scout. We quite understand that new scouts may want to settle in before committing themselves and so the deadline will be extended for them. And of course, I welcome any questions about this camp.

HELP NEEDED AT CAMP

We really need a couple of parents to camp with us, in addition to the usual leaders. We have extra tents etc available! This will help ensure that we can take all Scouts that want to come. In the past, a couple of parents have done half the week each, if they could not do the whole week. If you think any of these is possible and would like to talk about them, please let the Scout Leader know as soon as possible.
